

BURY FOOTBALL CLUB

'125 company partnership'

We are proud to be celebrating our 125th year during season 2009/2010. There have been good times, bad times & great times but throughout all these years we have been privileged to represent the town and its people.

We are now seeking twenty local companies to partner with us during this historic season. We are mindful of the current economic climate and so we have come up with an offer that we feel represents excellent value for money. Each of the twenty companies will pay £1,250 for which they will receive a comprehensive advertising and hospitality package for twelve months. As a '125 partner' your company will receive:

Perimeter advertising board (produced to your design)

Half page, full colour advertising in every matchday programme during 2009/2010

Advertising on electronic scoreboard at every home game

One 'Associate Sponsorship' at a home game during the season when your company will receive full corporate hospitality, including pre match meals for ten persons.

All this for only £1,250 + vat

This is a fantastic opportunity to promote your company at Bury FC and to show your support for the football club during this significantly important year. Please contact commercial manager Peter Young for further information or to arrange a visit to view the facilities at Gigg Lane.
